Col. Bookyshell.

Dear Sir.

Thanks for your kind information regarding the Salary of ladies employed at the Ed. S. Mint, as I stated in my letter the remuneration of $12. a week would be inadequate to my demand for household Expenses &c. So as a matter of course

feel obligd to withdraw my
application, but in doing
so wish to ask a favor
hoping you will not think
me too importunate or too
aspiring. Will you kindly
transfer this application
to the Treasury Department
at Washington D.C. for
me, as going from you it
would carry some weight,
whereas if I should send
it, it would be un-noticed,
besides I do not care to

solicit signatures again if possible,
however if the salary in the Treasury does not
double that of the U. S. Mint, if you will
kindly return my application I shall be grateful,

Hoping in your charity you will
interest yourself in my behalf, I must
thank you for the kind consideration you have
shown me & at the same time beg to be
excused for again troubling you,

Respectfully
Josephine T. Crescel.
